See your instructor to register and obtain an *Information Handout*.

No phone registrations.  
You must register in person with your instructor.

## *Photo Excursion, Nature and Bird Photography*

### Conowingo Dam

Route 1 and the Susquehanna River  
Northeastern, Maryland

Saturday, April 3, 2010 (8:00 AM - 12:00 PM)

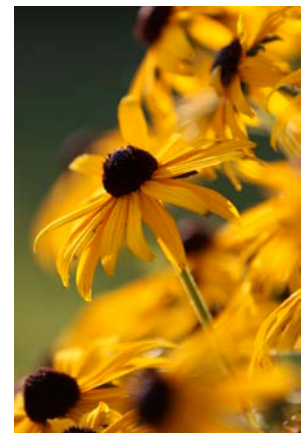

A hands-on photo excursion to apply what you've learned in class!

Join us for an morning of nature and bird photography at the Conowingo Dam.

Conowingo is considered one of the best places east of the Mississippi River to view Bald Eagles because the birds are nearly always present in good numbers. Viewing conditions are excellent.

Experts will be on hand for assistance with equipment usage and tips on photographic techniques.

**Limited to the first 100 people to register. Further details upon registration.**

**Space is limited. Sign up early!**
